## Flip of Switch Sends AP&L Electricity Into Hope

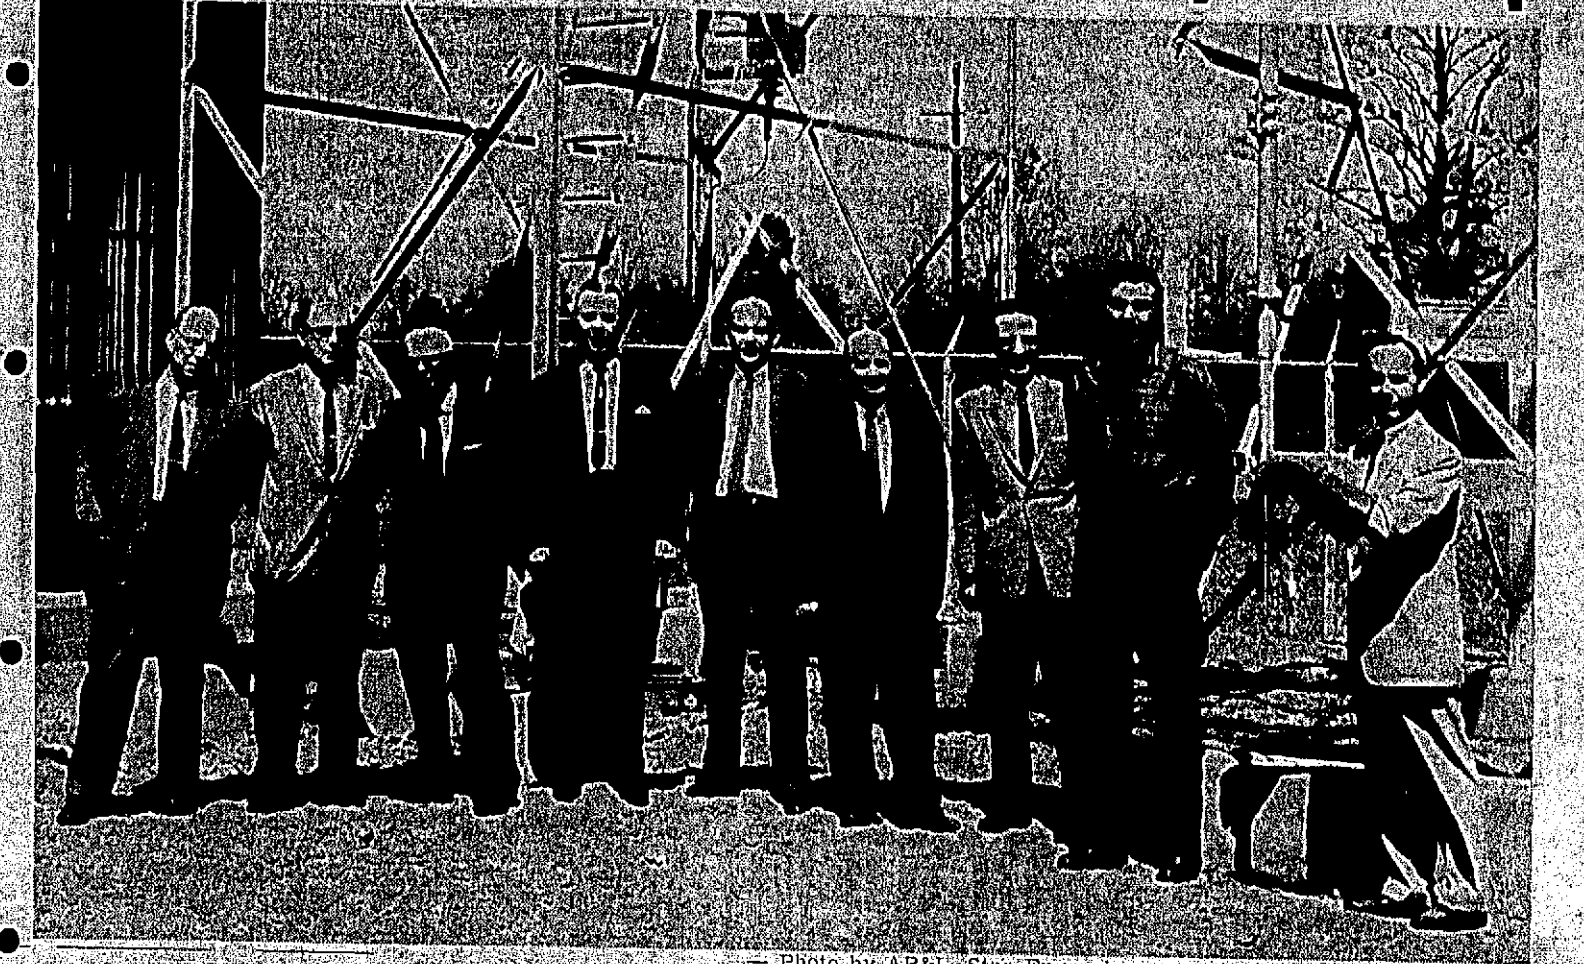

Photo by AP&L Staff Engraving  
MAYOR George Frazier turned the switch that sent Arkansas Power and Light electricity into the city for the first time. Left to right: AP&L Vice President Alton Clift; Vice President H. F. Wynn; Commissioner Roy Anderson; and Robert LaGrone, D. W. Bryan, General Manager for AP&L; Division Manager, Ish Beam; City Manager, Garland Medders; Supt. Jack Fielding of Hope Water and Light Plant and Mayor Frazier.

### Mayor Switches AP&L Current Into This City

Mayor George Frazier today closed the switch that began a new era of electric service for customers of Hope's Water and Light Commission.

Mayor Frazier closed the switch that energized a 10,000-kilowatt substation at the east city limits and began delivery of electric power to Hope from the inter-connected system of Arkansas Power & Light Company.

The action officially put into effect a contract between Hope and AP&L under which the power company will supply the city's total electric power requirements for the next 10 years.

AP&L is supplying Hope with electric power from its 115,000-volt Gudrun transmission line. The company tapped the line at a point approximately six miles east of the city where the line crosses Highway 4.

From that point AP&L constructed a six-mile, 115,000-volt line that is connected to the new 10,000-kilowatt substation at the east city limits. The substation reduces the voltage to 13,800 volts for delivery into the city's electrical system.

AP&L has estimated that it cost the company approximately \$275,000 to provide the new power supply for Hope.

D. W. Bryan, Gudrun manager for AP&L, said the new facilities not only assure Hope of a dependable source of power for the future, but provide the security of a two-way power supply.

The transmission line from Stamps connects with the Harvey Couch Steam-Electric Station. The Gudrun line connects with the Lake Catharine Steam-Electric Station between Malvern and Hot Springs. These are two of the company's four major power plants.

The power company will be responsible for the maintenance of the transmission line and substation. From the delivery point, the city is responsible for all distribution substations and other facilities required to deliver electric service to its customers.

### Faubus Warns Against Court Interference

LITTLE ROCK (AP) — Trouble will result in Arkansas' anti-integration laws are overturned in the courts, Gov. Orval Faubus predicted yesterday.

He particularly referred to the state's student bill, which would enable a student who objected to attending an integrated school to receive money from the state to attend a private and segregated school.

He added that he would have no objection to opening Little Rock's closed public high schools "to Negroes and whatever while students want to attend. If the courts did not interfere with state aid to private schools."

"There is likely to be all sorts of hell" if schools are ordered to open integrated and no provision is made for state-aided private schools, the governor said.

The law which allows the state aid for private schools is under challenge before the Arkansas Supreme Court and in U.S. District Court here.

Chief Justice Carlton Harris has said the state high court will rule before a scheduled May 4 election.

### Okla. Voters Give Approval to Liquor Sales

BY THE ASSOCIATED PRESS

Oklahomans have kicked out prohibition, but they will have to wait at least two months before buying liquor legally.

Although Oklahomans voted for repeal Tuesday, it does not become effective until the vote is followed up by the state legislature. This may take from 60 to 90 days.

Other elections Tuesday, May 5, Richard J. Daley of Chicago polled nearly 60 percent in winning his second term, and Justice E. Harold Hottel won a full 10-year term on the Wisconsin Supreme Court in a close, non-partisan election.

Oklahoma's action left Mississippi the only state with full prohibition. With all but 13 of 3,234 precincts reporting, repeal carried 885,242 to 313,574.

Repeal came in the form of a constitutional amendment allowing sale of packaged liquor in private stores. Prohibition has been in the Oklahoma constitution since the state entered the union 61 years ago.

The Legislature now must validate the amendment and repeal all anti-liquor laws before the legal sale of packaged liquor can begin.

Besides repealing statewide prohibition, Oklahomans voted down a proposal to give counties option to keep prohibition in their own boundaries. This was defeated 407,928 to 221,520.

James A. McClary, a Democrat, received 71.33 percent of the total ballot in defeating Republican Timothy Sheehan's former congressional seat. This final unofficial vote: Daley 777,696 Sheehan 312,182.

That was the biggest majority bulge in a Chicago mayoral election since 1935 when Edward J. Kelly and his Democratic ticket won 75.9 percent of the vote.

In Wisconsin's Hallows first appointed to the court a year ago, defeated Stewart C. Hancock in a tight race decided by the vote in Milwaukee County. Hallows had 268,959 and Hancock 259,300 with 3.013 of the state's 3,420 precincts.

Meanwhile, Republicans and Democrats continued their argument over the significance of the Michigan election Monday. Republicans won three state education posts for their first statewide victories since 1955. The Democrats won nine education races and the two contests for the State Supreme Court.

## Hundreds of Labor Delegates Stricken by Food Poisoning

WASHINGTON (AP) — Hundreds of delegates to the AFL-CIO unemployment conference here were stricken with food poisoning, some on route Tuesday night and others in the meeting hall today.

At least 30 were hurried to hospitals from the National Guard Armory where the meeting was held, and one man was reported in a serious condition.

The first report came from the Ohio delegation. A union official from Lima, estimated that about half the 600-man group aboard a Toledo-Washington train had become ill Tuesday night after eating turkey and ham in a dining car. Continued on Page Two

### Lon McLarty 87, Dies at Home in Hope

James Alonzo McLarty, aged 87, a retired merchant died at his home at 303 South Pine Street Tuesday afternoon. He was a native of Rome, Georgia but had lived here practically all his life. He was a member of the First Methodist Church, Century Bible Class and Masonic Lodge.

Survivors include his wife, two sons, Tom and James McLarty of Hope; two daughters, Mrs. C. E. Turner of Texarkana and Mrs. W. F. Steward of San Angelo, Texas.

Funeral services will be held at 2:30 p. m. Wednesday at Oakcrest Mortuary by Dr. L. T. Lawrence, assisted by J. D. Montgomery. Burial will be in Rice Hill cemetery.

Active pallbearers: Charles Harrell, W. L. Tate, Royce Welschberger, John Wilson, Albert Graves and LaGrone Williams.

### Outside Power Purchase Made by Commission

Tuesday, October 13, 1958, the Water and Light Plant Commission signed a contract with Arkansas Power and Light Company for purchase of wholesale power for distribution in Hope for the next ten years.

The transaction took place in the presence of the whole board and approval of the City Board of Directors.

Thus for the first time in its history Hope, which has always manufactured its own power, is using current made elsewhere but will continue to operate its distribution system.

Almost simultaneously Hope's plant is placed on a standby basis with only a skeleton crew on duty. However, most of the plant workers were or will be placed in other city jobs. The plant could be put into full operation on short notice if necessary occurs.

Buying outside power has required an overall expenditure of about \$80,000 by the city, principally for construction of an electrical line around the city capable of handling the increased power. This assures maximum power at any point in the city at all times.

Purchase of outside power has been considered for many years but it wasn't until the local plant was placed in the hands of a Commission that a detailed study was made.

The Commission discovered what had been long suspected — Hope could buy power cheaper than it could produce and the supply would be almost unlimited. Municipal plant is heavily bonded to meet present demands, which by midsummer would be severely taxed. And the demand is increasing each year.

The Commission, all local businessmen who serve without pay, placed business ahead of sentiment and decided to contract for outside power. The report showed at the present demand, the city would profit by \$80,000 a year — more if the demand increases as expected. Outstanding bonds on the plant can be retired without cost to the city.

Fortunately the Commission had three sources of supply and finally entered into a contract with Arkansas Power and Light Company.

Members of the Commission are B. W. Edwards, Roy Anderson, Robert LaGrone, Albert Graves, and Lloyd Spencer.

### Hope Bands Make Record at District Meet

The individual entries as well as the band made remarkable showing at Stamps Saturday. The students for the first time this year entered in individual competition in solos and ensembles.

The following students received first division ratings at the District Festival which was held at Stamps: Ronnie Formby, Larry Williams, David Chism, Roy Allison, Thomas Foster, Dale Wylie, and Mary Alice Mosley in solo division; Larry Baber, Roy Allison, Doyott Collins, Linda Evans, Jimmy Barentine, Bill Cearly, Albert Hargis, Martha Tetterfield, Larry Patterson, Linda Pettit, Gail Evans, Penny Roberts, Shirley Harrisfield, Patsy Board, Jo Carolyn Lewis in ensemble division. Twenty-nine first division medals were brought home by the students and the highest number of medals won was by Roy Allison who received five.

The following students placed second, and although they did not receive a medal they are certified to play in competition at the state festival in Hot Springs April 24 and 25.

Freddy Smith, Ann Arnold, Millie Flowers, Bobby Mitchell, Richard Lechard, Joel Rogers, Joe Hargis, Brenda Evans, Larry Moore, Tommy Hollis, Pat Rogers, Bill Land, Brenda Hamm, Lolly Prather, Penny Roberts, Pat Beard, Linda Pettit, Linda Evans, and Mary Alice Mosley in solo divisions;

Tommy Hollis, Bobby Foster, Hugh Barwick, Joel Rogers, Mary Alice Mosley, Lolly Prather, Brenda Hamm, Penny Roberts, Betty Hattell, Andrea Anthony, Linda Pettit, Jo Ann Turnage, Thomas Foster, Denver Dickinson, Freddy Smith, Roy Tullis, Dale Wylie, Charles Flowers, Roy Allison, Linda Evans, Larry Baber, Albert Hargis, Doyott Collins, Jimmy Barentine, Barry Hill, Gilbert Brown, Larry Gahnes, Barry Spraggins, Robert Story, Lora Thompson, Ginger Bowden, Don Oglesby, Ronnie Formby, Jo Ann Kidd, and Charles Clark, in ensemble divisions.

Fifty-eight second division ratings were received with certification to compete at the state festival. Eighty-third division ratings were received as well as eight fourth divisions. Third and fourth division ratings do not compete at the state festival. This is a very fine record because fifty per cent of all entries placed and will compete at state. Both bands were highly praised.

### Benefit Supper Planned by Bingen RCI

A pancake supper and benefit program, sponsored by the Rural Community Improvement group, will be held at 7 p. m. Thursday at Bingen Community Center.

Proceeds will be used to improve the Bingen Center which was the school house. Musical numbers will be played by the Willie Chism band.

Mrs. Clyde Owens is chairman of the solicitation committee which collected gifts from Hope and Nashville merchants to be used as prizes at the benefit. Some 50 Hope merchants contributed.

Working with Mrs. Owens are Mrs. Faye Hooker, Mrs. C. L. Nannie, Mrs. James Martindale, Mr. and Mrs. Bill Lewis, Fred Holt, and others.

### Board Trio Sees Limited Integration

LITTLE ROCK (AP) — Three Little Rock School Board members think the city's four closed public high schools will be operating in September with some degree of integration. It was disclosed today.

Ted L. Lamb, a member of the six-man board, confirmed reports that he and Everett Tucker Jr. and Russell Matson Jr. had predicted this in a series of informal meetings with principals and teachers at various schools here during the past two weeks.

### Hope Man Attends Lumber Asso. Meet

LITTLE ROCK (AP) — The 55th annual convention of the Arkansas Association of Lumber Dealers opened today with about 350 delegates from throughout the state in attendance.

The first business session was scheduled for this afternoon and a banquet was on the agenda for tonight.

A concluding business session tomorrow will feature a panel on Federal Housing Administration procedures.

Officers of the association include L. A. Hardman of Helena, president; John Paul Hamner of Harrison, first vice president; James Shannon of Jonesboro, second vice president; Jack Lowe of Hope, third vice president; and A. C. Davidson of Little Rock, treasurer.

### Auto Dealers Stage Parade of New Cars

Hope Automobile Dealers' Association (HADA) staged its annual new car parade yesterday afternoon through the city accompanied by the Hope High School and Yeger bands.

The new car showing tied in with the two weeks sales promotion, "Live Better By Far With A Brand New Car" which is being carried out nationwide. Hope new car franchised dealers are making a special effort these two weeks to give you the opportunity to trade for a new car by offering the most for your car and the lowest possible price for a new car.

The absence of Hope Auto Co. new cars in the parade was due to the death of Mr. Lon McLarty yesterday.

## Kiwanis Minstrel Thursday, Friday

Hope Kiwanis Club Minstrel, an annual attraction which has meant thousands of dollars to the Youth Program of Hope, will be staged Thursday and Friday nights in the auditorium of Hope High School. The curtain rises at 8 o'clock.

Written and directed by a special committee of Kiwanians, the show this year is being presented for the 16th consecutive year.

The cast of nearly 60 is composed mostly of Kiwanis club members. The show is timed at one hour and 45 minutes with a 15-minute intermission.

Cast as "end men" are such veteran performers at Eddie Whit-

man, Harry Hawthorne, Guy Grigg, Andy Caldwell. Two new members have been added this season, Norman Moore and Joe Keesey. Serving as interactor will be Dale Dunn. Mrs. Eva Reynerson will be an accompanist at the piano.

Besides the black-faced comedians, singers and dancers, ten specialty acts are included one of which includes Mrs. B. C. Hyatt's Maids of Note. This group will sing "Roses From the South" and comprises the following: Shirley Allen, Suzanne Booth, Judy Boswell, Betty Bryant, Florence Davis, Marguerite Ellis, Judith Evans, Sharon Evans, Louise Lively, Sharon House, Peggy Martin, Sue Moore, Cherry Myers, Becky Odell, Tena Pukington, Jan Reinhardt, Sandra Russell, Sue Thompson, Nancy Tooley, Tooley, Mary Warrack, Virginia Church, Penny Franks.

Tickets have been on sale for several days, and all indications point to capacity crowds for the two-night performance. The king and queen from the grade schools will be presented Tuesday night by President Mike Kelly. On Friday night the king and queen from the Junior High school will be announced.

## 1959 Ambassador V-8 Introduced

This four-door, hardtop station wagon is one of six models available in the 1959 Ambassador V-8 by Ford. The Ambassador series, which will go on sale at Rambler dealerships on October 8. Other models include sedans, hardtops and regular station wagons. Ambassador models, powered by a 270-horsepower V-8 engine,

provide luxury motoring without excessive bulk and size, according to American Motors. Individually adjustable reclining seats, which allow the driver and front-seat passenger individual fore-and-aft adjustments, are offered as optional equipment. Ambassador models, powered by a 270-horsepower V-8 engine,

plan but as what he called a sound investment toward the nation's future.

It is a safe and sound investment, Meany said. "For the most part, the funds invested by the government will be reimbursable. Whatever expenditures are entailed will be more than made up by a tremendous upsurge in tax revenues."

More than 5,000 delegates were expected at the National Guard Armory, biggest hall in the nation's capital. They represent both union officials and unemployed workers drawn from major employment areas in the East and Midwest.

Besides Meany, the program called for addresses from Secretary of Labor James P. Mitchell, speaking for the Eisenhower administration; Senate Majority Leader Lyndon Johnson of Texas, and the Auto Union Chief, Walter Reuther, who promoted the rally.

However, desperate may be the unemployment situation, some of its urgency was removed by new job data disclosed by the administration Tuesday. This showed a substantial job improvement in March, with employment rising to 1,106,000, an unemployment decline by 307,000.

Both changes were twice as good as the seasonally expected improvements, lifting total employment to 82,828,000 and cutting unemployment to 4,302,000 for March.

Meany minimized the improvement, saying it represented only a "little better" than expected springtime change. He said even the lower unemployment total is the worst idle figure for the month of March since World War II except in the 1958 recession year.

The cut in unemployment, the AFL-CIO chief said, was not enough for Hope the problem is being solved.

The annual Arkansas snowfall averages 5.6 inches.

romans struck prohibition from their constitution Tuesday.

With all but 13 of the state's 3,294 precincts in, repeal carried 895,242 to 318,574.

The state still isn't off the war. Legal liquor is at least two months away.

A constitutional amendment submitted by the state legislature must validate the amendment and repeal anti-whisky laws before liquor can be sold legally. This probably will take 60 to 90 days.

Okla. then will emerge from 51 years of prohibition. Mississippi will be the only dry state left in the union.

Failure of a county option proposal Tuesday means the entire state will go wet, although liquor stores will be limited to towns of 200 and larger.

The county option question submitted separately lost 221,820 to 487,928.

Had county option passed, each county would have voted May 12 on whether to allow liquor stores. Liquor can be sold only by the bottle when the new amendment goes into effect. The "open saloon" will be banned, although 3.2 beer still will be sold in taverns.

The repeal victory came when Oklahoma was "drier" than at any time since Prohibition. At any time since Prohibition, Oklahoma was "drier" than at any time since Prohibition.

ed. Circle No. 3 of the W. S. C. S. First Methodist Church at their home Monday afternoon, April 6. Mrs. Webb, Lefter, Jr. circle chairman, called the meeting to order and Mrs. V. C. Brown voiced the opening prayer.

The chairman presided over a short business meeting which included reading the minutes and collecting the dues. The World Bankers were also collected at this time.

Mrs. Steve Cartigan Jr. gave a beautiful devotional message using Matt. 7:9-13 for the first scripture. She presented excerpts from the book, "So We Believe," by W. P. Carter, Jr. and A. Buttrick and closed with George A. Buttrick's prayer. Mrs. J. D. Walker, the program was in charge of Mrs. C. M. Agee. She discussed "There's Something in the Air" by Roy S. Smythes and showed interesting pictures of the highlights of the annual meeting of the Board of Mission of the Methodist Church. The chairman closed the meeting with prayer.

During the social hour the hostess served meringue shells with ice cream and strawberries and coffee to 10 members and one guest, Mrs. M. L. Fox Sr.

## DOROTHY DIX

### Smart Stepmother Leaves Tankless Crew in Lurch

Dear Dorothy Dix:  
My stepmother is the meanest woman in the world. She married her a year ago and she tried to take over the house. She got after him for drinking and after me for staying out late. I'm 16 and consider myself grown-up and able to take care of myself. One time she was bawling me out and I slapped her. Dad always took my part and sure told her off when she corrected me. She's been gone six months and we've tried to get her back because there's no one to cook for us. I hate housework. Dad has stopped drinking, hoping this would bring her back but she says she won't come back until to serve on the Resolution Committee at the District Conference in El Dorado, April 9 and 10.

Mrs. Raymond Jones and Mrs. Milton Eason went to Dallas Tuesday to spend two days with the Oliver Gilliams.

## Hospital Notes

Memorial

Admitted: Mrs. Henry H. Palmer, Hope; Tommy Holt, Hope; Michael Lynn May, Hope; Mrs. Malcolm Burnett, Emmet. Discharged: Mrs. J. M. Sims Hope; Ira Porter, Hope; Tommy Holt, Hope; Jerry Turner, Rt. 4 Hope; Aeca Rogers, Rt. 3 Hope; James R. Goins, Rt. 2 Hope; Mrs. Virgil Bobo and baby boy, Hope.

Mr. and Mrs. Henry Palmer of Hope announce the arrival of a baby girl born April 7, 1959.

Mr. and Mrs. Malcolm L. Burnett of Emmet announce the arrival of a baby girl, born April 8, 1959.

Discharged: Rodney Tompkins, Rt. 1, Eamos; William Foster of Hope; E. R. Lamb, Hope; Wilma Johnson, Rt. 1, Fulton; Elvagh White, Rt. 1, Hope; Mrs. Myra Nichols and baby girl, Rt. 2 Hope.

I graduate and leave home. I hate her but sure miss her cooking and the pretty dress she made for me. I'd like to have her back but wouldn't stand for her bossing me. What can we do? — Sweet Sixteen.

Dear Silly, Stubborn Sixteen:  
The answer to everyone's problem is right in your own little hands. You are a foolish obstinate child, very far from being grown-up, and badly in need of the guidance you so airily dismissed. As the first step in getting yourself on the right track, I suggest that you have a long talk with your clergyman. Tell him all about your mean, spiteful, and arrogant. When he gets finished with you, you may have acquired some humility. Then go to your stepmother and plead with her to come back, asking that she help you overcome weaknesses, as she helped you overcome his. You had a real gem, girlie. See that she's surrounded by jewels when she comes back. Return some of her devotion. It's little enough reward for taking on a household of rebels.

Dear Dorothy Dix:  
At a recent school dance, I overheard some girls criticizing me for dancing too close to my boy friend. Do you think we will get a bad reputation? — Noelle.

Dear Noelle: As you have seen, you are already stirring up talk. Keep your distance. Anyway, modern dances don't call for the straggled that characterized dancing in the 20's. So be smart, be modern — and be above gossip.

Dear Dorothy Dix:  
My sister has a crush on a young married man, a very close friend of the family. She follows him all over the place and I've seen the hurt look in his wife's eyes. How can we convince my sister to find a fellow of her own? — Tillie.

Dear Tillie: Your parents should be talking. Sis must be advised that married men are out of bounds, even for teenage crushes. She may be impressed if someone else tells her of the pain she's causing another woman. But the appeal that should prove most effective will be a reminder that she's acquiring a reputation that may keep eligible young men away. Very young girls get those crushes without realizing how much trouble can be caused by them. However, even youngsters usually listen to reason.

IT'S DAYTIME TO THEM  
BALTIMORE (AP) — The business meeting was scheduled for the unlikely hour of 3 a. m. but drew the best crowd in the organization's history.

It was a meeting of bartenders. Taxmen, close at 2 a. m.

## Denies That Secy. Dulles Has Resigned

WASHINGTON (AP)—President Dwight D. Eisenhower today denied that his Secretary of State, John Foster Dulles, had resigned. He said that Dulles had not resigned and that he was still in the office.

Hagerty described the broadcast as "irresponsible reporting" and announced that he had officially called CBS Vice President Ted Kopp and had demanded that the correct report be made.

The broadcast quoted Eisenhower as saying that Dulles had not resigned and that he was still in the office. According to the same unidentified sources, CBS said, Dulles had recommended that Under Secretary of State Christian Herter be appointed his successor. He had been relieved to be reliable, Hagerty said, the report is "believed to be reliable."

The CBS report said further that President Eisenhower is in agreement with Dulles' decision. After the broadcast, Lincoln White, State Department press officer, denied that Dulles is resigning but CBS again reported this morning the substance of its previous broadcast.

In New York, CBS officials maintained that in neither broadcast was it said that Dulles had resigned and that Eisenhower had accepted.

## Increase Reported in Welfare Grants

LITTLE ROCK (AP)—A slight increase was reported by the state Welfare Department yesterday in payments for various grants last month.

Welfare Commissioner Carl Adams said payments totaled \$3,150,000 for the month of March, compared with \$3,100,000 for February.

## Tibet's Lama Pushes Deeper Into India

By WATSON SIMS

NEW DELHI (AP) — Tibet's Dalai Lama prepared to leave the remote monastery town of Towang today and push deeper into India as the Buddhist faithful flocked to pay homage to the fugitive god-king.

The Dalai Lama was expected to continue his slow journey today through the mountainous north-eastern zone which is barred to all outsiders because of Nagu tribesmen who for years have been warring for independence. Bomdila, a military headquarters some 70 miles off, was believed to be the next goal. The journey on horseback was expected to take four or five days.

The party was reported moving in two groups—with a large advance patrol serving as guard to the 23-year-old ruler and his top aides. With the 80 Tibetans is a strong guard of Assam state rifle-men and constabulary in addition to Indian army units.

The young ruler, venerated by his people as the reincarnation of

and Mrs. Leroy Marlin.

Mrs. D. K. Bomis and daughter Jessica of Texarkana visited in Prescott Thursday.

Buddha was reported making frequent stops to bless followers who flock in from the surrounding countryside.

Reliable sources at Shillong, 150 miles south of Towang in Assam state, denied reports the Dalai Lama was sick and fatigued.

P. N. Menon, chief of press relations for India's Foreign Ministry, headed toward the northeast frontier to intercept the Dalai Lama before foreign newsmen reach him.

Prime Minister Nehru is expected to learn whether the Tibetan ruler intended to say anything about the Red Chinese campaign to subjugate his homeland that could endanger relations between New Delhi and Peking.

Nehru was expected to insist that in exchange for refuge in India, the Dalai Lama refrain from pub-

lic statements that would incur Peking's wrath.

Now! For the first time in many years, the Hope Municipal Electric System has enough capacity to take care of all the load in the city and surrounding area.

Now! For the **FIRST TIME IN HISTORY**, Hope can invite an industry of any size into the area with full assurance that its power requirements can be met immediately with a standard of service that cannot be excelled in the State of Arkansas.

The wholesale connection with the Arkansas Power and Light Company provides the capacity to meet the load growth that is already upon us without the need for expensive plant expansion, and the attendant heavy, long term bonded indebtedness. This will mean that all the earnings of the electric system can be put into other needed community facilities instead of expensive machinery.

All the equipment in the old power plant will be maintained on standby basis so that it can be used in the event of extreme emergency. This will provide a safety factor that few Arkansas cities enjoy.

With adequate power, and with rates that will compare favorably with any section of the State, the Hope municipal electric system can now devote its efforts to the full development of the electrical industry in its territory, and contribute more to the development of Hope and this area.

## Exhibitions in Background as Teams Get Set

By ED WILKS  
Associated Press Sports Writer

The exhibition schedule slid into the background today as major league baseball made a final drive for before Thursday's traditional regular season opener at Cincinnati and Washington.

The early opening, designed to attract the kiddy by squeezing an extra weekend into the majors' schedules, starts a second century of baseball in the nation's capital. The Senators before an expected 25,000.

Vice President Nixon will toss out the first ball in the absence of President Eisenhower, the president's golf.

The predicted close National League race sets off a running start with Pittsburgh's pennant-climbing Pirates playing the dark horse Reds.

That one also gives an expected crowd of 32,000 Cincinnati fans a quick appraisal of the winter deal that sent power-hitting third baseman Frank Thomas to the Reds for catcher Smokey Burgess, third baseman Don Hoak and speedy Harry Byrd.

All of the clubs are scheduled to get rolling Friday in the American League, the world champion New York Yankees open Manager Casey Stengel's expected romp to a record-setting 10th pennant with a home debut against the Boston Red Sox. The Chicago White Sox are at Detroit and the Cleveland Indians are at Kansas City.

Friday's National League schedule sends the defending champion Milwaukee Braves to Pittsburgh and Los Angeles to Chicago in afternoon games while St. Louis, who is at St. Louis and Cincinnati at Philadelphia in a pair of night games.

A bevy of front line pitchers not in their final warm-ups in Tuesday's exhibition, Lefty Handwerker, pitcher, will open for the Braves, pitched a scoreless three innings and gave way to Mike McCormick, who continued the shutout string until Cleveland unloaded three runs with two out in the ninth for a 3-2 victory at Des Moines.

Brooks Lawrence and Hal Jett, who kept the Yankees in check as the Reds beat the champs 3-2 on Gus Bell's 10th inning home run at Savannah. Moe Drabowsky returned from the injured list and pitched nine innings for the Chicago Cubs, but Morrie Martin got the decision when the Braves scored twice in the 11th for an 8-7 victory over the Red Sox at St. Louis, Mo.

The Braves were blanked for six innings by the Dodgers' Don Drysdale. Clem Labine and A. J. Fowler, then sent Los Angeles 5-4. The two in the ninth off rookie Gene Snyder. Los Angeles got its four in the first off Bob Buhl before a crowd of 12,203 at Jacksonville, Fla.

## Celtics Take Lakers Again for 3rd Win

ST. PAUL, Minn. (AP) — The Boston Celtics, perhaps the greatest basketball team ever assembled, were on the threshold today of a precedent-breaking sweep of the National Basketball Assn. title playoffs.

The Celtics whipped the Minneapolis Lakers 123-110 here Tuesday night for their third straight victory. A repeat in Minneapolis Thursday night would make Boston the first team in the NBA's nine-year history to win the championship series in four straight.

"Why the modest about it?" smiled Celtic Coach Red Auerbach. "This is a great team."

He got no argument on that from the Lakers after the Celtics' breath-taking show of power Tuesday night.

There was glory in it for all of the Celtic regulars, but especially Bill Sharman, Bob Cousy and Bill Russell.

Sharman, the 32-year-old, mechanical man, felled six foul shots in a manner that was thus far his consecutive free throw mark to 56, breaking the NBA record of 55 Bill Russell set three years ago.

Cousy, once more, was the whirlwind playmaker, steering the Celtics' fast break with spectacular dribbling, passing and headwork. Russell hauled in 30 rebounds, bringing his total for the three games to 88.

The Lakers' task now is all but hopeless. They have to win four in a row against a team that was good enough to win 62 of 72 regular season games.

The exhibition tour reached a

## Commission Undecided on Bond Election

BY JOHN R. STARR  
LITTLE ROCK (AP) — The Arkansas Highway Commission has not yet reached a decision on whether it will ask Gov. Orval Faubus to call an election on a proposed \$21 million bond issue.

Commission Chairman Lawrence Blackwell of Pine Bluff said today the commission was conducting a detailed study of Highway Department finances to determine whether bond money is necessary at this time.

Blackwell said the department was not in immediate danger of losing any federal matching funds because of non-availability of state money.

"But a lot of federal money will

not go into highways immediately because we are short," Blackwell said. "It will lie idle until we find more funds."

The proposed bond issue would authorize sale of up to seven million dollars worth of bonds annually in each of the next three years. There is a feeling that the commission must prove it will use federal funds unless bonds are floated.

Authorization for machinery to set up the bond issue election is contained in a 1950 legislative act. Blackwell said it was Faubus' prerogative to call the bond election but that the governor had indicated he would not do so without consulting the Highway Commission.

### CAR'S IN GOOD HANDS

LOCKPORT, N. Y. (AP) — "Who has car four?" Patrolman Vincent Sansone inquired over police radio here after finding the cruiser missing from the department garage.

"I have it," came the answer.

Sansone then reminded the officer-driver it was his day off. The officer brought the cruiser in and went home.

## Faubus Warns

Continued From Page One.

hearing in the federal court.

The law under which Faubus closed Little Rock's four public high schools last September also is under challenge in both courts and a state Supreme Court ruling on it is expected along with the decision on the student aid plan.

Faubus, speaking at a news conference, said he believed a dual system of schools—public and private—would work. "If they leave the door open for us to provide an education for those students who cannot accept any form of integration."

He said segregationist students might choose to boycott schools which were ordered to be integrated.

In such cases, he said, "It wouldn't be fair for segregationist parents to have to pay both school taxes, tuition for their children; if the NAACP (National Assn. for the Advancement of Colored People) thinks people are going to stand still for that, they're wrong."

Faubus said it would be up to the federal government to enforce federal court integration orders, should they be issued.

Pressed for elaboration, the governor repeated a previous statement that he would never use state police powers to enforce integration.

Asked directly if he would stand by while anti-integrationists rioted in the streets, he declined a direct answer but indicated he would "act to save life and property."

"But state officers will never escort any Negroes into a school," he said.

Faubus said he would be willing to meet with officials of the NAACP but added, "I don't see any purpose in this right now as

long as they have the attitude they do."

## Board Trio

Continued From Page One

Rowland Sr. and Traffic Judge Robert Laster did not accompany

the others to the meetings.

Lamb, Tucker and Matson and considered foes of Gov. Orval Faubus, stand in the integration dispute. The governor attacked them as "integrationists" during the hotly contested school board race last December.

Mokinley and the remaining two board members are considered staunch advocates of the attitude taken by Faubus, who prohibited the schools from opening last fall in a maneuver aimed at averting court-ordered integration.

Tucker skirted a direct answer to a question about whether McKittrick, Rowland and Laster had been asked to attend the meetings. He said, however, "the other members would have been well-

come to come if they wished to."

Tucker emphasized that the meetings were informal and "completely unofficial."

He estimated the trio visited eight or 10 schools. Lamb's estimate was 12 or 13 schools.

Tucker indicated other visits to schools might be made by the three board members.

According to Lamb, the visits included Central and Hall High Schools, two of those closed in the integration controversy.

Lamb said he thought some form of restricting might help solve the integration deadlock but did not elaborate.

He said the members told teachers, "We believe the high schools will be operating this September

and that we do not believe the court will permit them to operate without a minimum of integration. We have no intention of calling them (the teachers) integration or segregationists."

He said most teachers were worried about whether their contracts would be renewed.
